

Mission Presbytery Guatemala Partnership Construction at Candelaria

Many of you have blessed us with your generous donations and as a result the Guatemala Partnership Team summer 2009 project to build a new church in the village of Candelaria is nearly complete. Praise God. We are just \$7,600 short of the needed goal. I know that the GPT wants this project finished and am sure that you do also. Can we call upon you to dig down into your pockets and help us get there?

Has your church had a craft sale this year? The profits from these craft sales go to supporting CESSMAQ and projects like the church at Candelaria. Contact us through the Partnership Web Site www.cessmaq.org At the bottom of the page is a contact us tab that you can use to request a craft sale. We will travel to your church at a time convenient to you.

Our web site has a wealth of information about your Mission Presbytery Guatemala Partnership Team (GPT) and the support we provide to the Committee for Evangelical Service and Support of the MAYA QUICHE (CESSMAQ). Membership is open to anyone interested in mission work especially mission work in Guatemala.

Thank you for your continued support. If you could send a small donation to complete the Church at Candelaria we would be extremely grateful. Each check should be marked Guatemala Project in the memo section and sent to Mission Presbytery.

God Bless You
